We will have to have you replace non-uniform clothing/shoes. Please do not waste your money. TEFA has vendors with clothing, but Amazon is probably a better buy in most cases. Make sure the burgundy is not a red or cranberry. Used uniforms are available at Kids Korner 2960 W. Hwy 199 Suite 104 Springtown. If you have any donations of uniforms, please take them to Kids Korner. They donate most of the proceeds to us when they sell.

These pictures are examples with links, if you want to use them. Please refer to the **School Handbook** for other specific information.
Skorts or skirts with undershorts can be either twill or stretch fabric but please keep the style a traditional pleated style. Khaki pants may be twill or stretch fabric, but no leggings unless they are under a regular skirt or skort. Longsleeved polos may also be worn as well as a longsleeved polo dress. Please remember that ALL Students will wear tennis (athletic) shoes that fit well while running. It is more important than the sole, but the support as well, so please do not purchase dress shoes with a “tennis shoe” sole.
